BRAND NEW SAFETY HIGH QUALITY

Product details

PRODUCT STRUCTURE

- 1 . Solid window shape
- 2 . Sound insulation , heat insulation , waterproof
- 3 . The profile design uses European standard hardware notches to connect multiple lock points to achieve a good anti-theft effect .
- 4 . Double-layer fully sealed hollow automobile-grade safety glass
- 5 . European standard notch design , screen windows can be installed with diamond mesh, stainless steel wire mesh , and anti-theft grid can be installed.

SLIDING WINDOW

Meticulous design and achievement livable .
Extraordinary scenery , interpretation of extraordinary mood .
