300x600

A decorative wall panel featuring a winter scene. The top section has a dark, textured background with two white reindeer and a brown reindeer. The middle section has a white background with a geometric pattern of squares. The bottom section has a dark, textured background with a brown reindeer. Stylized trees are scattered throughout the scene.

33113

It's the one of the most common
in the world. And even it's the
symbol of both love and life.

ALWAYS ON MY MIND

it's hard to find true love.
I don't know when I can fall in with

Image

love because they
yet it is this way
that love begins.
