The image displays two large, rectangular slabs of black marble with prominent white and gold-colored veins. The top slab is positioned vertically, showing a highly reflective, polished surface that mirrors the surrounding environment, including a green exit sign and wooden paneling. The bottom slab is laid flat, revealing the intricate, swirling patterns of the marble. The text "HP6708黑大理石" is overlaid in white on the top slab.

HP6708黑大理石

The image displays two rectangular panels of a dark, polished marble material. The top panel is oriented vertically and features a network of fine, white, vein-like patterns against a black background. The bottom panel is oriented horizontally and shows a similar pattern, but with a prominent, bright, horizontal reflection on its right side, suggesting a window or light source. The text 'HP6709黑白根' is printed in white on the top panel.

The image displays two large rectangular panels of HP6710 Silver White Dragon marble. The top panel features a dark, almost black background with intricate, wavy, and somewhat horizontal veins of white and light gray. The bottom panel has a similar dark background but with more prominent, vertical, and irregular veins of white and light gray. Both panels are highly reflective, showing clear reflections of the surrounding environment, including what appears to be a window with multiple panes. The text 'HP6710银白龙' is printed in white, bold, sans-serif characters across the middle of the top panel.
